

1972
NATIONAL WESTERN
Shorthorn and
Polled Shorthorn Sale

DENVER, COLORADO

10 a.m.

Wednesday, January 19, 1972

A class of bulls at the National Western. The top bulls of the breed show and sell at Denver.

NATIONAL WESTERN SHORTHORN POLLED SHORTHORN SHOW AND SALE

Show: 5:00 p.m., Jan. 17

Sale: 10:00 a.m., Jan. 19

LAMONT PAVILION

DENVER, COLORADO

32 — HEAD — 32

26 BULLS

6 FEMALES

INFORMATION FOR THE BUYER

DATE: Wednesday, January 19, 1972. **TIME:** 10:00 a.m.

LOCATION: Lamont Sale Pavilion, Stock Yards, Denver.

SHIPPING INSTRUCTIONS: Consignors and this Association will see that all cattle are properly loaded on cars or trucks as the buyer shall direct for immediate shipment. Cattle are at the buyer's risk from the moment they are bid off, however, all precautions will be taken to see that animals arrive in a sound and healthy condition. CATTLE WILL BE RELEASED IMMEDIATELY FOLLOWING THE SALE. BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALE CLERK.

LIABILITY: Although every precaution will be taken to protect the safety and comfort of guests neither this Association nor its representatives nor the auctioneer or clerk, can assume any liability for accidents.

TERMS: All sales are cash unless previous arrangements are made with the consignor from whom you purchase. Settlements are to be made with the clerk immediately at the conclusion of the sale.

SINCE THE BANKS WILL NOT ACCEPT A COUNTER CHECK, IT IS IMPERATIVE THAT YOU BRING YOUR PERSONAL CHECK TO PAY FOR ANY PURCHASES MADE.

INSURANCE: Coverage may be obtained effective at the time of sale.

GUARANTEE: Standard Guarantee endorsed by this Association, which is printed in this catalog.

HEADQUARTERS: Denver Hilton Hotel, Denver, Colorado. Write directly for reservations mentioning this National Western Shorthorn Sale.

AUCTIONEER: Dick Kane, Wisner, Nebraska.

PA DO LEADER GENE 009 x—An All-American. Reserve grand champion at Amarillo, Tulsa and Dallas state fairs. Many people call his dam one of the very best big cows of the breed. She has a very large, well-shaped udder. 205-day weight, 611 lbs.; 365 day weight 1001 lbs. taken after a blizzard. Weight on November 18, 1971 was 1485 lbs.

These fancy Shorthorn calves were part of the 1971 National Western Feeder Calf Show. Bulls in this sale can sire the winning kind for you, too. DEMAND FOR SHORTHORN AND CROSSBRED SHORTHORN FEEDER CALVES FAR EXCEEDS THE EXISTING SUPPLY.

LOT 6—BULL

Thunderhead Farm

T H ROYAL STANDARD 2nd 3429-897

Hi Way President x
Red, W. H. Larson
Kenmar Kate 11R x
Roan, H. Fulton

THOMAS HARVEY 3B x—Here is a tremendous young stock bull that blends two of the nation's greatest blood lines, being sired by Kinnaber Leader 9th and whose dam is by Pleasant Dawn Seal 2nd, a half sister to Tank. There are seven bulls in this bull's pedigree that are all polled and will each weigh over a ton. We feel that this is the mating that will couple size and quality and will be a very consistent blender of these traits.

LOT 8—BULL**Thunderhead Farm****T H RED DUKE 3429-431**

Tattoo LE R36

Red. Calved March 7, 1970. Bred by Elmer R. & Gladys Hedges, Fleming, Colo.; calved property of Thunderhead Farm, Bennett, Colorado.

THOMAS DURHAM 93B x—A son of the great Kinnaber Leader 6th x, a bull that has done a tremendous job for Ross Thomas, Hartley, Manitoba and also for Bob-Lee, Inc., Fredericktown, Ohio. This bull was selected as the best from thirty sons of Leader 6th. He is the bull that, in our opinion, exemplifies the size and soundness that so many Kinnaber Leader 6th cattle possess. Don't miss seeing this one in the National Western Sale Show!

SEVEN T'S GOLDEN SUPREME x—This is a bull that has been raised on the range. He doesn't have the fit of a show bull, but will make an excellent stock bull. His sire, Seven T's Supreme x, is a full brother to the grand champion steer which we bred and showed in the Junior Livestock Show of Oklahoma.

WHY BUY SHORTHORNS?

- ★ Shorthorn bulls are active, sure breeders.
- ★ They put more growth into their calf crops.
- ★ Shorthorns are historically known for their faster gaining and finishing ability. The demand for Shorthorn and Shorthorn crossbred feeders far exceeds existing supplies. Consequently, they sell for a premium.
- ★ Shorthorn bulls put more milking ability into their daughters... this means heavier weaning weights.
- ★ Shorthorn docility is world famous, making them ideal projects for youngsters.
- ★ Shorthorns eliminate the cancer eye, sunburned and snowburned udder problems.
- ★ Shorthorns are known as "THE GREAT IMPROVERS." Shorthorn crosses have been proven in test after test to be superior to other crossbreeds in milking ability, rate of gain and feed efficiency.
- ★ Ask yourself why so many commercial herds are now crossbreeding with Shorthorns? IT'S BECAUSE THEY ARE BEST IN EVERY WEIGH.

MPS PRAIRIE JOSEPHINE 4th x—An outstanding heifer that was grand champion at the 1971 Kansas State Fair, Hutchinson. Sells open.

A "GROWTH" STOCK

Shorthorn and Polled Shorthorn cows are a growth stock: In financing parlance this means a sound investment that is assured of increasing in value.

The future of all beef cattle looks bright. The growing population in America and a growing per capita beef consumption makes investment in cow-calf programs mighty attractive.

The Shorthorn-Polled Shorthorn future looks especially bright. That is because the breed has more to offer the beef world than any other breed.

There are breeds more highly glamourized...there are breeds with more inflated values but no breed is more universally recognized for its improvement ability than the Red, White and Roan. Nearly every large, exotic breed in the world owes much of its parentage to Shorthorns. If you really think about that fact alone, you should have a greater appreciation for Shorthorns.

No breed has more genetic purity than Shorthorns. The breed has no problem with dwarfism, cancer eye, prolapses, sunburned udders. No beef breed is so enriched with milking ability, with docility, with gaining ability.

We could go on and on about Shorthorn superiority and their higher profit potential. If you own Shorthorns, you know their dependable productive ability. If you don't own Shorthorns, it is high time you did. The females offered in this sale can do much to cement your faith in our breed.

STANDARD GUARANTEE

OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.
6. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or country into which they may be shipped.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
8. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animals are bid off.
